A maintenance groom is performed for pets which are presented to the groomer on a regular schedule for minor trimming, shaving, or cutting of the coat to "maintain" the present look of the groom. Because the time and work for the groomer is less than that of a standard groom, the service will be done at a slightly reduced price. This reduced price will be quoted by the groomer for each individual pet; prices may vary depending on breed.

By signing this form, you are making a commitment to a standing appointment. \_\_\_\_\_ will be entered  
 into the schedule on the designated maintenance appointment day and you will receive a courtesy call the  
 day before the appointment is due as a reminder. If you are unable to keep the standing appointment,  
 please notify our office so that we may make the appointment available to another client.

\_\_\_\_\_ 's standing maintenance appointment schedule is:  
 <animal>

The cost of \_\_\_\_\_ 's maintenance groom will be:  
 <animal>

Because the reduced charge for the maintenance groom is based on the frequency and regularity that the maintenance grooms are being performed, if \_\_\_\_\_ is not presented according to the set schedule the  
 requirements for the groom may change, which may be reflected in the cost of the service at the groomer's  
 discretion. In order to keep the cost of the groom at the price quoted above, please present \_\_\_\_\_  
 according to the set schedule.  
 <animal>

If you wish to discontinue the maintenance groom schedule, please notify the groomer to have \_\_\_\_\_  
 removed from the service. Future grooms will be done at regular price once removed from the  
 maintenance schedule.  
 <animal>

I, \_\_\_\_\_ (print name) have read and do understand the above. I  
 understand that this release is valid from this date forward.
